ABOUT GRAND VIEW UNIVERSITY

Grand View University, founded in 1896, is a liberal arts institution located in Des Moines, Iowa. As the state capital with a population exceeding half a million, Des Moines offers GV students diverse cultural and entertainment attractions, as well as outstanding opportunities for internships, jobs and other educational experiences.

More than 1,800 students choose from 40 majors, including Music, Music Education and Church Music. For more than two decades, close to 100 percent of GV graduates have secured employment or entered graduate school within six months of graduation. Typically, more than 98% of our full-time day undergraduate students receive financial assistance, totaling more than \$36.5 million. Grand View offers 26 sports for men and women, as well as athletic scholarships. With more than 40 clubs, campus organizations and honors programs, students have many opportunities to get involved and learn to lead for life.

GV's online and evening undergraduate programs offer courses in an accelerated format to allow students to work full-time while they complete a degree. Grand View offers nine online undergraduate programs and four graduate programs: Master of Science in Athletic Training, Master of Education, Master of Science in Organizational Leadership and Master of Science in Sport Management.

MUSIC AT GRAND VIEW

Grand View's Music Department challenges students to take their love of music and continue to develop it more fully. From their first year, students can be involved in ensembles, take private lessons and challenge themselves all while being part of a close-knit community of musicians. Talented student musicians of all majors are welcome in our choral and instrumental ensembles.

Grand View faculty members take a sincere interest in their students' academic and musical success. Our department strives to help music students build a strong foundation in music in a collaborative environment, focusing on camaraderie over competition.

The Music Department is located in the Cowles Center. The location provides space for rehearsals, classroom teaching, studio teaching and practice rooms.

MUSIC SCHOLARSHIPS

The Music Department offers scholarships in voice, piano, wind, string and percussion instruments for qualified students (by audition only). Scholarships are awarded in amounts up to \$4,000 and are renewable each year, provided the student continues in good standing in his or her music activities. Pro Musica Scholarships are available for music majors as well as non-majors.

Follow **Grand View University Music Department** for updates on our program.
