

## Theatre Arts

**Degree Awarded:** Bachelor of Arts

**Requirements for the Major:** 40 credits

The major in Theatre Arts is intended to be an interdisciplinary approach to theatrical training. Because theatre is a collaborative art form, students majoring in Theatre Arts receive a solid base of theatrical knowledge from the Theatre Arts courses. Students also can tailor their degree by selecting courses from the list of electives to suit their goals. The primary objective of this degree is to prepare students for their lives after college, whether that is working professionally or continuing on to graduate school. All majors are expected to take part in the productions staged in the Viking Theatre, and students have the opportunity to take on major roles in those productions throughout the year.
